

City of Grants Pass
City Council
Wastewater Treatment Plant Tour
Notice

DATE: February 23, 2018
TIME: 1 p.m.
PLACE: Wastewater Treatment Plant
1200 SW Greenwood
Grants Pass, OR 97526

Jacobs, The City's Wastewater Treatment Plant design builder, has offered to provide a tour to interested Councilors on Friday February 23, 2018 at 1:00 pm.

Project Superintendent Scott Jacques will provide a brief safety briefing prior to walkthrough. This will be a great opportunity to walk the site, see all the areas where construction is ongoing and ask any questions of Jacobs and City staff.

The project has now logged over 20,000 man hours of work with zero accidents and is progressing very quickly. It will be an informative and educational experience and will allow Council the opportunity to see the infrastructure that they approved to be built being constructed.

**Please note: A quorum of Council may be present..

ACCOMMODATION OF PHYSICAL IMPAIRMENTS: *In order to accommodate person with physical impairments please notify the City Recorder's Office of any special physical or language accommodations at least 48 business hours prior to the meeting. To request these arrangements please contact Karen Frerk, City Recorder at (541) 450.6000.*
