

# Art in motion

The City of Grants Pass Committee on Public Art (CoPA) invites your business to join us in supporting the **Art in Motion** project.

This public art project is essentially an art gallery on wheels; art work displayed on the back and side panels of one Josephine Community Transit bus. The art is there to engage people, expand public art visibility, create opportunities for the community to experience art in everyday life and enhance the overall artistic climate of the City of Grants Pass.

Your business will be identified as the sponsor and instantly be linked with two of the most vital concepts in our community; public art and public transportation.

The next exhibition starts the first week of January and runs until the end of June 2017. A second exhibition period will run from July through December 2017. Three **Art in Motion** signs will be on one City route bus – 6<sup>th</sup> and 7<sup>th</sup> streets, out to Rogue Community College, to the hospital, and over to Wal-Mart.
