

City of Grants Pass

JOB OPPORTUNITY

Water Treatment Superintendent

Public Works Department

Compensation: \$65,385 - \$82,733 Annually

Summary of Position:

The Water Treatment Superintendent leads the Water Treatment Division under the general supervision of the Public Works Director. It exercises full supervision of employees in the division as well as seasonal full time temporary staff. The position manages the operation and maintenance of a 20 MGD conventional surface water treatment plant, 13 remote booster pump stations and 8 reservoir sites. The superintendent is also responsible for the City's water quality laboratory for quality control and compliance analysis as well as assuming fiscal responsibility by participating in the preparation of an operating budget.

Minimum Qualifications:

An Associate's Degree and six years of directly related experience specific to Water Treatment, two years of which must be supervisory or lead; or an equivalent combination of education and experience sufficient to successfully perform the essential duties of the job.

Licensing Requirements: Oregon Class C Driver's License and Oregon Water Treatment Grade III (Filtration Endorsement preferred)

Ranking & Selection:

The ranking and selection of applicants to proceed in the process includes: experience, education, responses to supplemental questionnaire, and meeting minimum qualifications of the position. The initial selection process for this position includes the following steps: application review and oral interview. The final selection process following interview includes the following steps: tentative offer, driving history check, criminal history check, background investigation, reference check, pre-employment drug testing, and final offer of employment.

All candidates will be notified of the status of their application after the closing date.
