Subject: [BULK] Hearing on April 22 2020 regarding Beacon Hill Park

Hello, I'm a land owner immediately adjacent to the proposed park on Beacon Drive. I received the notice for the public hearing. I cannot make the meeting due to Coronavirus, I'm in Texas. I have concerns about the park becoming a homeless camp and I'd like to know what will be done to prevent this. I would like to go on the record with this concern. If not addressed, I would like to oppose the park.
