

Urban Campground Roundtable

DATE: November 30, 2021
TIME: 1 p.m.
PLACE: Council Chambers, 101 NW A Street

The City of Grants Pass desires to help facilitate the discussion of an urban campground.

This project is important because it focuses on a desired/needed service that can help keep community members safe and healthy from exposure to the elements. Unsheltered persons, especially those living with medical, mental health, or addiction issues, are even more vulnerable in times of inclement weather. With your help we would like to explore the potential of initiating an urban campground in the Grants Pass community.

ACCOMMODATION OF PHYSICAL IMPAIRMENTS: *In order to accommodate person with physical impairments please notify the City Recorder's Office of any special physical or language accommodations at least 48 business hours prior to the meeting.
