Fire performances are not allowed until the venue has been approved by the Fire Marshal's Office. Violation of the following requirements or of requirements listed in Grants Pass Department of Public Safety Fire Performance Art Permit may result in a citation.

Requirements for Fire Performance Art Venue Permit:

- A. The permit application must include:
 - 1. A to-scale site plan of the venue including:
 - The dimensions of the performance area, seating and equipment layout.
 - Dimensions of the room, aisles, and location of exits.
 - 2. A written letter signed by the property owner or their representative authorizing the fire art performance. For public spaces such as a park or street, the authorizing representative is the department responsible for that space, i.e. Parks & Recreation, Transportation, etc.
- B. Applications must be received 21 calendar days prior to the scheduled performance date to accommodate plan review and a site visit, prior to issuing a permit. Applications received after this deadline may be denied.
- C. The permit will be valid for one year from date of issue.
- D. The permit, approved site plan and Fire Performance Art Permit Policy must be available on site at all performances and shall be presented upon request.
- E. Venues shall ensure that each performer holds a current "Individual Fire Performance Art Conditional Use Permit" and photo ID.
