

NOTICE OF HEARING GRANTS PASS CITY COUNCIL

Community Development Block Grant
(CDBG) Funds

New 5-Year Consolidated Plan
and Year 1 Annual Action Plan
Needs and Priorities

Each year, the City of Grants Pass receives Community Development Block Grant (CDBG) funds to be used for projects which predominantly benefit low- to moderate income persons, prevent/eliminate blight, or meet urgent community needs which pose a serious threat to the health, safety and welfare of citizens.

In 2015, the City adopted a 5-Year Consolidated Plan (CP) which guided use of CDBG funds over the first five years of 2015-2019. The City also prepared a 1-Year Annual Action Plan (AAP) to allocate annual grant funds for specific activities addressing identified needs.

The City is preparing a new 5-Year CP for 2020-2024 and a new Year 1 AAP for 2020-2021. To assist with development of the plans, the City posted a Survey on the City's webpage to assist in determining those needs and priorities most urgent in the community. The comments and suggestions will be incorporated into the new 5-Year CP and Year 1 AAP.
