5.12.122 Violation

- A. Any property within the City of Grants Pass, which is a chronic nuisance property, is in violation of these provisions and subject to the remedies prescribed.

City of Grants Pass Municipal Code

- B. Any person in charge who permits property to be a chronic nuisance property shall be in violation of these provisions and subject to the remedies prescribed.

5.12.123 Procedure

- A. When the Police Department receives two or more police reports documenting the occurrence of a nuisance activity on or within 200 feet of a property within the City, the Police Department shall independently review such reports to determine whether they describe any acts enumerated under Nuisance Activities above. Following such review, the Police Department may notify the person in charge in writing that the property is in danger of becoming a chronic nuisance property. The notice shall contain the following information:
 - 1. The street address or a legal description sufficient for identification of the property.
 - 2. A statement that the Police Department has information that the property may be a chronic nuisance property, with a concise description of the nuisance activities that may exist, or that have occurred. The Police Department shall offer the person in charge an opportunity to propose a course of action that the Police Department agrees will abate the nuisance activities giving rise to the violation.
 - 3. Demand that the person in charge respond to the Police Department within 10 business days to discuss the nuisance activities.
- B. After notification of Nuisance Activities to a person in charge, when the Police Department receives a Police report documenting the occurrence of a third nuisance activity at or within 200 feet of a property and determines that the property has become a chronic nuisance property, the Police Department shall notify the person in charge in writing that the property has been determined to be a chronic nuisance property. The notice shall contain the following information:
 - 1. The street address or a legal description sufficient for identification of the property.
 - 2. A statement that the Police Department has determined the property to be a chronic nuisance property with a concise description of the nuisance activities leading to the Police Department's findings.
 - 3. Demand that the person in charge respond within ten (10) business

City of Grants Pass Municipal Code

days to the contact person designated by the Police Department and propose a course of action that the Police Department agrees will abate the nuisance activities giving rise to the violation.

4. Service shall be made either personally or by first class mail, postage prepaid, return receipt requested, addressed to the person in charge at the address of the property, or such other place which is likely to give the person in charge notice of the determination by the Police Department.
 5. A copy of the notice shall be served on the owner at such address as shown on the tax rolls of the county, and/or the occupant at the address of the property, if these persons are different than the person in charge and shall be made either personally or by first class mail, postage prepaid.
 6. A copy of the notice shall also be posted at the property if 10 business days has elapsed from the service or mailing of the notice to the person in charge and the person in charge has not contacted the contact person designated by the Police Department.
 7. The failure of any person to receive notice that the property may be a chronic nuisance property shall not invalidate or otherwise affect the proceedings under these provisions.
- C. If after the notification, but prior to the commencement of legal proceedings by the City pursuant to these provisions, a person in charge stipulates to the Police Department that the person in charge will pursue a course of action the parties agree will abate the nuisance activities giving rise to the violation, the Police Department may agree to postpone legal proceedings for a period of not less than 10 or more than 30 days.
- D. Concurrent with any notification procedures set forth above, the Police Department shall send copies of the notice, as well as any other documentation, which supports legal proceedings against the property, to the City Attorney.

5.12.124 Burden of Proof; Defenses; Mitigation of Civil Penalty

- A. In an action for a chronic nuisance property, the City shall have the initial burden of proof to show by a preponderance of the evidence that the property is a chronic nuisance property. It is not necessary to obtain convictions for nuisance activities to support a finding that a property is a chronic nuisance property.

City of Grants Pass Municipal Code

- B. It is a defense to an action for a chronic nuisance property that the person in charge at all material times could not, in the exercise of reasonable care or diligence, determine that the property had become a chronic nuisance property, or could not, in spite of the exercise of reasonable care and diligence, control the conduct leading to the determination that the property is a chronic nuisance property. Notwithstanding the foregoing, landlords are responsible for the conduct of their tenants.
- C. In establishing the amount of any civil penalty requested, the Court may consider any of the following factors and shall cite those found applicable:
 - 1. The actions taken by the person in charge to mitigate or correct the nuisance activities at the property;
 - 2. The financial condition of the person in charge;
 - 3. Whether the problem at the property was repeated or continuous;
 - 4. The magnitude or gravity of the problem;
 - 5. The cooperativeness of the person in charge with the city;
 - 6. The cost of the City of investigating and correcting or attempting to correct the nuisance activities.
 - 7. Any other factor deemed by the Court to be relevant.

5.12.125 Closure During Pendency of Action; Emergency Closures

Any emergency closure proceeding initiated under this provision shall be based on evidence showing that nuisance activities have occurred on the property and that emergency action is necessary to avoid an immediate threat to public welfare and safety. Proceedings to obtain an order of emergency closure shall be governed by the provisions of Oregon Rules of Civil Procedure (ORCP) 79 for obtaining temporary restraining orders. In such an event, the notification procedures set forth above need not be complied with.

5.12.126 Commencement of Actions; Remedies

- A. The City Manager may authorize the City Attorney to commence legal proceedings in a court of competent jurisdiction to enjoin or abate a chronic nuisance property and to seek closure, the imposition of civil penalties against any or all of the persons in charge thereof, and any such other relief deemed appropriate.

City of Grants Pass Municipal Code

- B. If after the commencement but prior to the trial of any action or suit brought by the City, a person in charge of chronic nuisance property stipulates to the City that they will pursue a course of action the parties agree will abate the nuisance activities giving rise to the violation, the City may agree to stay proceedings for a period of not less than 10 or more than sixty (60) days, except in the case of nuisance activity involving drugs where a search warrant was executed at the property. The person in charge or the City may thereafter petition the court for such additional periods of time as may be necessary to complete the action(s) to abate the nuisance activities. However, in the event that the City reasonably believes the person in charge of a property is not diligently pursuing the action(s) necessary to abate the nuisance activities, the City may apply to the court for release from the stay and may seek such relief as is deemed appropriate.
- C. In the event a court determines property to be a chronic nuisance property, the court shall order that the property be closed and secured against all access, use and occupancy for a period of not less than six (6) months, nor more than one (1) year. The court shall retain jurisdiction during any period of closure. The person in charge may petition the court for an order reducing the period of closure if the person in charge and the City stipulate that the nuisance has been and will continue to be abated.
- D. If a property is found to be a chronic nuisance property, the person in charge of the chronic nuisance property is subject to a civil penalty of up to \$100 per day for each day nuisance activities occurred on the property following notice.
- E. The provisions of Section 5.12.121 through 5.12.128 are separate and distinct remedies from those specified in Sections 5.12.130 through 5.12.170. Nothing in these provisions shall require any conviction for criminal activities prior to the commencement of any action provided herein.

5.12.127 Enforcement

- A. The court may authorize the City to physically secure the property against all access, use or occupancy in the event that the person in charge fails to do so within the time specified by the court. In the event that the City is authorized to secure the property, all costs reasonably incurred by the City to physically secure the property shall be paid to the City by the person in charge and may be included in the City's money judgment. As used in this section, all costs mean those costs actually incurred by the City for physically securing the property, including attorney fees incurred in legal

City of Grants Pass Municipal Code

proceedings, as well as tenant relocation costs pursuant to this section. (Ord. 17-5722)

- B. The City department(s) physically securing the property shall prepare a statement of costs, including its attorney fees and the City shall thereafter submit that statement to the court for its review. If no objection to the statement is made within the period prescribed by ORCP 68, the statement of costs shall be included in the City's money judgment. (Ord. 17-5722)
- C. Judgments imposed by this Chapter shall bear interest at the rate of nine percent (9%) per year from the date the judgment is entered.
- D. Any person who is assessed the costs of physically securing the property by the court shall be personally liable for the payment thereof to the City.
- E. The person in charge shall pay reasonable relocation costs of a tenant if, without actual notice, the tenant moved into the property after either:
 - 1. A person in charge received a notice from the Police Department's determination that the property may be a chronic nuisance property; or
 - 2. A person in charge received notice of an action brought to close a chronic nuisance property.

5.12.128 Severability

The provisions of Sections 5.12.121 through 5.12.127 are intended to be consistent with any applicable provisions of state law. If any provision or its application to any person, or circumstances is held to be invalid for any reason, the remainder of these provisions, or the application of them to other persons or circumstances shall not in any way be affected.

5.12.130 Declaration of Nuisance

- A. The acts, conditions, or objects specifically enumerated and defined in Chapter 5.04 and Sections 5.12.020 through 5.12.120 are declared to be public nuisances and such acts, conditions, or objects may be abated by any of the procedures set forth in Sections 5.12.140 through 5.12.180.
- B. In addition to those nuisances specifically enumerated within this chapter every other thing, substance, or act which is determined by the Council to be injurious or detrimental to the public health, safety, or welfare of the City is hereby declared to be a nuisance and may be abated as provided in this Ordinance. 5.12.150 Abatement--By Owner

- A. Within ten days after the posting and mailing of the notice as provided in Section 5.12.140, the owner or person in charge of the property shall remove the nuisance or show that no nuisance exists.

City of Grants Pass Municipal Code

5.20.010 Purpose

The purpose of this Chapter is to prohibit the deposit or storage of inoperable motor vehicles and parts thereof upon private or public property since such vehicles or parts create fire hazards and other safety and health hazards to children and adults, invite plundering, interfere with the comfort and well-being of the public, are offensive to sight, interfere unreasonably with the use and enjoyment of adjacent properties, depreciating the value thereof, and hinder proper and orderly residential and commercial development and use; and therefore such inoperable motor vehicles and parts thereof are a nuisance to be abated. The City or other persons throughout the City generally may enforce this Chapter. (Ord. 3683 §2, 1969)

5.20.020 Definitions

- A. Except where the context indicates otherwise, the singular number includes the plural, and the masculine gender includes the feminine.
- B. For the purposes of this chapter, the following words and phrases shall have the meanings set out below:
 - 1. "City" means the City of Grants Pass.
 - 2. "Inoperable Motor Vehicle" means any vehicle including the parts thereof which is discarded, dismantled, partially dismantled, stripped, rusted, junked, wrecked, non-operating, not currently licensed for operation, or no longer safely usable for the purposes for which it was manufactured. (Ord. 3683 §1, 1969)
 - 3. "Manager" means the City Manager or person authorized by the Manager.
 - 4. "Person" means a natural person, firm, partnership, association, or corporation.
 - 5. "Person in charge of property" means an agent, occupant, lessee, contract purchaser, or person other than the owner, having possession or control of real property upon which a wrecked motor vehicle is located.
 - 6. "Registered Owner" means the last registered owner of the inoperable motor vehicle according to the records of the State Department of Motor Vehicles, and does not include a conditional vendor, mortgagee, vehicle lessor, or other similarly interested person who is not the registered owner.
 - 7. "Vehicle" means any automobile, truck, or piece of mechanical

City of Grants Pass Municipal Code

equipment designed to move of its own power, or to be towed by another piece of equipment, and which uses or used wheels or tracks.

5.20.030 Inoperable Vehicle on Private Property

- A. It is unlawful for any person who is the owner of or in charge of private real property within the City to keep, wreck, store, or allow to remain thereon any inoperable motor vehicle, or part thereof, unless the same is completely enclosed within a building or so located as not to be readily visible from any public place or from surrounding private property (e.g. in a closed garage or behind a completely sight obscuring fence 6 feet or more in height), or unless it is on such private real property in connection with a business enterprise, lawfully licensed by the City, and properly operated in the appropriate business zone, pursuant to the zoning laws of the City. An inoperable vehicle covered with a tarp or similar covering is readily visible as noted herein and is therefore in violation.
- B. For the purposes of this section, if an inoperable motor vehicle or part thereof is permitted to remain upon property 72 hours after the registered owner or owner of the property is notified of the violation, it shall be deemed to have been kept, stored, or allowed to remain thereon. After the expiration of the 72-hour period, each day during which the vehicle or part thereof remains on the property in violation of this chapter shall be punishable as a separate offense and may be abated as provided herein. (Ord. 3683 §3, 1969; Ord. 4336 §1, 1980)

5.20.040 Deposit of Inoperable Vehicle on Property of Another and on Public Property

- A. It is unlawful for the owner of an inoperable vehicle, or any other person, to deposit such vehicle, or part thereof, upon the private real property of another without the consent of the property owner or the person in charge of the property, or upon public property, (including, but not limited to parking lots, streets, parklands, and vacant public property). Note, a violation of this section does not provide for a 72-hour grace period as noted in Section 5.20.030B.
- B. In any trial for violation of this section, the last registered owner of the vehicle according to the records of the Oregon State Department of Motor Vehicles shall be presumed to be the person who so deposited the inoperable motor vehicle, but this presumption may be rebutted by evidence to the contrary. (Ord. 3683 §4, 1969)

5.20.050 Abatement – Towing and Storage

City of Grants Pass Municipal Code

- A. The Manager may cause an inoperable motor vehicle to be removed by a commercial towing company if it remains on the property for longer than 72 hours after the owner of the vehicle is sent a notice of the violation.
- B. The notice shall declare the inoperable motor vehicle is in violation of this chapter and is subject to towing.

5.20.060 Notice Requirement

The sticker posting shall be completed not less than 3 days of the actual towing, not including Saturdays, Sundays, and holidays.
- B. When the Manager orders an inoperable vehicle towed pursuant to this chapter, the Manager shall also cause a notice to be sent to the registered owner and to any persons holding a security interest in the vehicle as shown by the records of the Oregon State Department of Motor Vehicles.

- D. The notice shall indicate:

 - 2. The vehicle will be towed under the authority of the City, together with the name of the City employee ordering the tow and the reason for the tow.

 - 5. The vehicle and its contents are subject to a lien for payment of the towing and storage charges and that the vehicle, and its contents are subject to sale to recover the charges if not paid;
 - 6. The registered owner or person having a security interest in the

City of Grants Pass Municipal Code

vehicle is entitled to a hearing to contest the validity of the towing and to contest the reasonableness of the charges for towing and storage.

7. A statement that a request for hearing to appeal the validity of the towing or to contest the reasonableness of the towing and storage charges must be made in writing and delivered to the Manager, together with a statement describing the basis of the appeal or contest, within 7 calendar days of the date the vehicle is towed.
8. The vehicle and its contents will be released upon payment of the applicable towing and storage charges of the towing company.

5.20.070 Hearing Procedures

- A. The registered owner or person having a security interest in the inoperable vehicle is entitled to a hearing to contest the validity of the towing and to contest the reasonableness of the towing and storage charges. - D. If the Manager finds the towing of the vehicle was proper (or that the towing and storage charges are reasonable), an order shall be entered supporting the towing and storage charges and that the owner or person having a security interest is liable for the charges. If the Manager finds the towing of the vehicle was not supported by the evidence, the City shall pay any towing and storage charges (or if found not to be reasonable, shall pay any excessive charges).

5.20.080 Disposition of Unclaimed Vehicles

A vehicle towed and stored under this chapter, which is not reclaimed within 45 days after it is towed, may be disposed of according to the laws of the State of Oregon. The person or persons towing and storing said vehicle shall have a lien on said vehicle.

City of Grants Pass Municipal Code

5.72.010 Intent and Purpose

The City Council of the City of Grants Pass recognizes that citizens of the State of Oregon may engage in both recreational and medicinal use of marijuana in accordance with State law. However, the City Council also recognizes that cultivating, drying, producing, processing, keeping, or storage of marijuana, without appropriate safeguards in place, can have a detrimental effect upon public safety and neighboring citizens. The City Council finds and declares that the health, safety, and welfare of its citizens are promoted by requiring marijuana cultivators engaged in recreational or medicinal cultivation, drying, producing, processing, keeping, or storage of marijuana to ensure that said marijuana is not accessible, visible, or odorous to other persons or property, or otherwise illegal under Oregon state law.
