## Mayor's Future Citizen of the Year Scholarship Program

This Mayor's Future Citizen of the Year Scholarship Program is designed to recognize, honor and encourage community contributions and excellence in the young people of Grants Pass. Students are judged on the following initiatives: community, leadership, academic and career.

Each year, high school seniors are invited to participate in this program. Although considered, academics are secondary to the student's involvement in serving the Grants Pass community.

The City knows there are several ways in which youth are involved in improving both themselves and the City of Grants Pass and acknowledge those achievements by awarding a \$500 Scholarship.

To apply, send in the completed application form and a one-page essay sharing with us how you have been involved in improving both yourself and the City of Grants Pass.

### **Judging**

Community Initiative: Student's initiative towards having a direct impact to the City of Grants Pass.

Leadership Initiative: Student's initiative towards taking responsibility to take charge on projects or leadership roles.

Academic Initiative: Student's initiative to excel academically through GPA, course load, AP/Honor Roll classes, etc.

Career Initiative: Student's initiative towards career goals.
